**Jason Aaron : Southern Bastards Deluxe Hardcover Volume 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Southern Bastards Deluxe Hardcover Volume 1:

A Masterpiece of redemption, crime, and a visceral look into the collective unconscious of the deepest in the Deep South.By CustomerJason Aaron is officially one of the kings of the American writing scene in graphic novels today. Its good to see so much wonderful work coming from a place that a few decades ago, was not releasing much else than silly super heroes and pulp horror. For adult themed comics we had to look at writers from the U.K. for so long. Well the tables have finally turned and with this Eisner nominated series

the proof is in the beautiful deluxe hardback printing of the the first two volumes in the series. Wonderfully illustrated by another American comics veteran, Jason Latour, this team was able to churn out a nightmarish vision of the deep south with so many layers that the story just keeps pulling you deeper and deeper into the twisted backwoods that Aaron and Latour are depicting. Overall, Southern Bastards is an importance piece of fiction for it provides a serious look into the old ideologies still present in the south, the crimes that the darkest corners of the woods can conceal, and what it ultimately means to be a man, whether that man be heroic or full of the hellish burning brimstone that is preached about in smallest of churches hidden in the furthest back of what most would call the backwoods.0 of 0 people found the following review helpful. Not the deluxe you're looking forBy Sawh82As the previous reviewer says, this is in no way a deluxe edition. The content is amazing and would have been enhanced by the deluxe treatment. This series is not losing steam so we will probably see an actual deluxe edition down the road. In the meantime, I feel ripped off. Make sure you check the dimensions before you buy!

Earl Tubb is an angry old man with a big ol' stick. Coach Euleless Boss has buried more bodies under his bleachers than there are championship rings on his fingers. And they're just two of the kind of bastards that have always seemed to flourish in Craw County, Alabama. When Earl comes home after 40 years, he finds some family business that still needs settlin' and Coach Boss is at the center of it all. The seminal southern-fried crime series, Southern Bastards by Jason Aaron (Scalped, Star Wars) and Jason Latour (Spider-Gwen, Loose Ends) gets an oversized hardcover, collecting the first two arcs "Here Was a Man" and "Gridiron". Collects Southern Bastards #1-8.
