Paco Roca : Spanish Fever before purchasing it in order to gage whether or not it would be worth my time, and all praised Spanish Fever:

This is an anthology of short comics stories by up-and-coming Spanish cartoonists. Fantagraphics Books is proud to introduce American readers to more than 30 artists working on the cutting edge of the form. Spanish Fever is an anthology showcasing the best of the new wave of art comics from a country with one of the strongest cartoon traditions in Europe. It includes the work of masters of the form such as Paco Roca, Miguel Gallardo, David Rubn and

Miguel Ángel Martín as well as newcomers like Jos Domingo, Anna Galvan, Ivárró Ortiz and Sergi Puyol. Black white illustrations with some color.

This collection is sure to keep any comics fan up-to-date on one of the most compelling cartooning traditions in Europe. - Atomic Books Anthologies like this are a reminder of how much excellent stuff there's out there that a lot of us have never come across.
