Todd McFarlane : Spawn, #4 (Comic Book) before purchasing it in order to gage whether or not it would be worth my time, and all praised Spawn, #4 (Comic Book):

1 of 1 people found the following review helpful. Spawn #4By KateMSpawn and the Clown/Violator have an all out fight, the Clown is perplexed as to why he can't destroy Spawn thinking he is human and should easily defeated. The battle wages on until their 'daddy', Malebolgia intervenes and sets them straight as to why they are on earth. The Clown is feeling very pleased with himself and brags to Malebolgia about his killing spree, this does not go down well with Malebolgia giving him a complete dressing down and punishing him by locking him into his clown form. The first part of this was almost played for comic relief with Spawn and the Clown using their powers to maim each other. They sling insults and give out 'is that the best you can do' jibes before Malebolgia turns up, chastising them like children, which is how he sees them. Spawn now knows that his powers are not inexhaustable and that once they are used up, so is he. 0 of 0 people found the following review helpful. Awesome art workBy JoshThe art work and story is awesome. The only qualm I have is it was too short. But I would recommend adult to pick this comic book up. 0 of 0 people found the following review helpful. Five StarsBy MartellThe order was placed just 3 days ago and it came today with no issues...All respects to Will's Basement

This is a comic book. Spawn issue number four. By Todd McFarlane.
