Todd McFarlane : Spawn, #7 (Comic Book) before purchasing it in order to gage whether or not it would be worth my time, and all praised Spawn, #7 (Comic Book):

3 of 3 people found the following review helpful. Spawn #7 By KateMA After kitting up at the armoury, Spawn visits mob boss Antonio "Don Dracula" Twistelli, telling him he wants a rematch with Overtkill and wants to meet him at the docks at midnight. The heavy weaponry does the trick and Overtkill gets more than he bargained for. Spawn is again plagued by flashbacks, specifically of his own death, he sees the grim reaper but can't get an image of who it was that killed him. We're slowly getting closer to whatever conspiracy Al was unknowingly involved in, the slow reveal of his former life and why he was killed, by whom, etc, is just a tad too slow and I wish I knew a bit more at this stage. My favourite scene is where Spawn has gone back to the alley and been comforted by the homeless guys who frequent there, they see him as one of their own and he is surprised by their total lack of judgement.
