Star ratings are earned, never given.1 Star: This product is not worth your time. There may be something wrong in the product details or description,

it does not live up to what it is advertised as or made extremely low quality. I would tell my friends, acquaintances, and strangers that they shouldn't use their hard earned money on this product.2 Star: This is not a great product at all. It has mistakes in the product details or description and does not live up to what it advertises or normal customer expectations. It is still now worth the money.3 Star: This is a neutral rating. I could take it or leave it. It met the product description and details for the most part but isn't something I am ever likely to order again. It could have some really cool features, An awesome looking design, Or maybe its just a killer deal. But overall the price of the product is not worth it.4 Star: I like this product. This item has met all expectations, The design is sound, The build is great and the product does what it was made for. Its a great product that i can recommend buying. However it didnt completely wow me. It does what it is supposed to do.This is what most products fall under.5 stars: Wow! This item is amazing, I absolutely love it, it is an exceptional, impressive product. Not only does it meet all expectations but its a product thats well made (designed, formulated, composed, etc) and lives up to the product details and description. It exceeds normal consumer expectations.0 of 0 people found the following review helpful. Todd McFarlane is Great!! I love Spawn!!By Adam SnyderTodd McFarlane is a wonderful talent artist and has a great creative story ideas with his comic book Spawn. I really enjoyed it. I have the Spawn 1 and 2 the graphic novels of the original comic book. They both are great. Todd has a good scene of humor with the story and comic. I collected the Spawn comics years ago when I was in High School and now I wanted to buy it again when I got on when I was thinking of him after I bought the graphic novel 2 at a used comic book shop. Todd is a very nice guy. I have meant him. I plan on buying more of the Collections.0 of 0 people found the following review helpful. Five StarsBy C.B.Always enjoyed Todd Mcfarlane's work.
