InsanityIMPORTANT MESSAGE: READER BEWARE: This volume requires you to read outside mini-series.-
Violator, Angela, Spawn: Blood Feud, Spawn/Batman, and Youngblood issues 7 8OK, Let me just start by saying that

I've been on the Spawn-wagon since day 1. I have the entire series in comic format. All the mini-series spin-offs. Basically every comic he's ever appeared in. So trust me when I say, that this volume as it is, is incomplete. It collects issues 13 through 33, but doesn't include any crossovers that are necessary to fill various plot holes you'll encounter. REQUIREMENTS:- THE VIOLATOR (Mini-Series) - Occurs during issues 21 through 23. (As far as I can tell, there is no trade-paper-back that collects these.)- ANGELA (Mini-Series) - Occurs between Issues 28 29 (This one is 100% necessary, and yes there is a TPB, but it's rare, not as rare as the comics though.)- SPAWN: BLOOD FEUD (Mini-Series) - Occurs between issues 32 33 (The prelude of which can only be found in comic format, as a 6-page addition to issue #32. And once again no TPB that collects this mini-series, which is crucial to the Spawn storyline, as many future issues refer back to this mini-series.)- YOUNGBLOOD #7 - occurs after issue #23 - (not necessary to the plot) - You only need this issue if you want to see where Overtkill winds up after Twitch fires a bullet into his ear.- YOUNGBLOOD #8 - occurs before issue #27 (Unfortunately this one is also necessary reading, as it contains the death of 2 major Spawn characters. I'm not gonna ruin it for you, by telling you which ones.)- SPAWN/BATMAN - occurs before issue #21 This is necessary because it explains where Spawn got his infamous wound that had to be sewn up with Cyans's shoelace in issue #21 In conclusion, I'd like to say, I would've given this collection 5 stars, but it's incomplete. Aside from which, issues 19 20 are retarded. (The arc concerning Houdini as a dimensional-traveling hypermage, a flying car, and a Spawn suit that can produce anything with just a thought.) Like I said, retarded. A stain on Spawn's reputation. Other than that, the writing is superb, and the art is amazing. Action-packed horror/fantasy for any comic-book junkie. Old or new. MORAL OF THE STORY: Even the homeless have their king. 0 of 0 people found the following review helpful. This series is the definitive Spawn collection in my opinion ... By Evan Kane This series is the definitive Spawn collection in my opinion. Full color pages, you get a lot of issues in each collection and the artwork is unrivaled. A must have for any Spawn fans out there. 0 of 1 people found the following review helpful. Fantastic By Louie STAR RATINGS: Each product is carefully reviewed in an unbiased manner. Star ratings are earned, never given. 1 Star: This product is not worth your time. There may be something wrong in the product details or description, it does not live up to what it is advertised as or made extremely low quality. I would tell my friends, acquaintances, and strangers that they shouldn't use their hard earned money on this product. 2 Star: This is not a great product at all. It has mistakes in the product details or description and does not live up to what it advertises or normal customer expectations. It is still now worth the money. 3 Star: This is a neutral rating. I could take it or leave it. It met the product description and details for the most part but isn't something I am ever likely to order again. It could have some really cool features, An awesome looking design, Or maybe its just a killer deal. But overall the price of the product is not worth it. 4 Star: I like this product. This item has met all expectations, The design is sound, The build is great and the product does what it was made for. Its a great product that i can recommend buying. However it didnt completely wow me. It does what it is supposed to do. This is what most products fall under. 5 stars: Wow! This item is amazing, I absolutely love it, it is an exceptional, impressive product. Not only does it meet all expectations but its a product thats well made (designed, formulated, composed, etc) and lives up to the product details and description. It exceeds normal consumer expectations.
