FantasticBy LouieBeautiful art, amazing story. todd keep pushing spawn as hard as you can make hollywood bend over for another movie.STAR RATINGS: Each product is carefully reviewed in an unbiased manner. Star ratings are earned, never given.1 Star: This product is not worth your time.

There may be something wrong in the product details or description, it does not live up to what it is advertised as or made extremely low quality. I would tell my friends, acquaintances, and strangers that they shouldn't use their hard earned money on this product.

2 Star: This is not a great product at all. It has mistakes in the product details or description and does not live up to what it advertises or normal customer expectations. It is still now worth the money.

3 Star: This is a neutral rating. I could take it or leave it. It met the product description and details for the most part but isn't something I am ever likely to order again. It could have some really cool features, An awesome looking design, Or maybe its just a killer deal. But overall the price of the product is not worth it.

4 Star: I like this product. This item has met all expectations, The design is sound, The build is great and the product does what it was made for. Its a great product that i can recommend buying. However it didnt completely wow me. It does what it is supposed to do. This is what most products fall under.

5 stars: Wow! This item is amazing, I absolutely love it, it is an exceptional, impressive product. Not only does it meet all expectations but its a product thats well made (designed, formulated, composed, etc) and lives up to the product details and description. It exceeds normal consumer expectations.

By Captain Insanity **WARNING THIS VOLUME IS MISSING AN ENTIRE PAGE OF DIALOGUE.**(Or at least the version I have does)(The edition I purchased has a different cover than the one shown on .The cover-art to the version I own, is the cover from issue #43)I'd like to start by saying, I love Spawn!!!!I can't stress that enough. (I own everything with his name on it)It's because of this love, that I am so critical of this collection.which has been less than stellar thus far.If you've gotten this far into the series,you definitely don't need me to tell you what this tale is all about.In this volume:- Spawn discovers he has even more powers than before(which at this point, is par for the course),- After a particularly gruesome encounter with 'The Curse'his symbiotic costume goes full-tilt-boogie.- Cygor the cybernetic gorilla goes on a rampage.- Spawn goes to hell.- There are some heart warming stories in this collection as well.(The christmas one springs to mind)- And some tales that deal with real issues like racism child abuse.But there are 2 problems you'll find with this particular collection:1. Two issues are listed as #38. Be rest assured though that the Christmas issue is indeed #392. Page 9 on Issue #48 is missing all of it's dialogue. (Bravo editors) Which will make page 10 really confusing.Because I'm a fan and really want other people to enjoy this series.Here's the dialogue that should accompany page 9 of issue #48.1st Panel:- Cog - "SPAWN! AL! Why are you doing this to yourself?" "Contiuing to play into the devils hands." "Or maybe it's not you." "Maybe the costume has finally taken total control."- Spawn - "The costume has nothing to do with this."- Cog - "Oh really?"2nd Panel:- Spawn - "Yes!"3rd Panel:- Cog - "So you're purposely building this prison on your own."4th Panel:- Cog - "Trying to isolate yourself from others." "Hide from life's realities."- Spawn - "Yeah that's it." "But now you know where I'm at." "So I guess I've failed"- Cog - "You don't know the half of it."As a result of these mistakes,I didn't give this collection the 5 stars it deserved.

MORAL OF THE STORY:All the greatest hero's have tortured hearts.

Spawn, the archetypal anti-hero, is featured in pivotal confrontations with The Violator, The Freak, Cy-gor and The Curse. Complete your Spawn library with 20 issues of pulse pounding sequentials.
