**Juzo Tokoro : Spawn Manga Collection** before purchasing it in order to gage whether or not it would be worth my time, and all praised Spawn Manga Collection:

0 of 0 people found the following review helpful. It's pretty good.By HANKTodd Macfarland's is of course better in writing and artwork, but this is ok, and has parallels with the american version so if you are a die hard spawn fan get it if not don't bother.0 of 0 people found the following review helpful. Super Happy Fun Time Spawn!!!By J. AlfordUnlike some of the other manga titles, this one actually takes place in the same timeline as the American comic. A Japanese kid in America named Ken Kurosawa is a karate punk, but cares for his sick younger sister. He gets killed in a car bombing, and spends the next seven years in Hell. He is brought back to Earth has a Hellspawn by Malbogia(the Image Comics version of the Devil), and is trained by Clown to be one of Satan's little helpers. Ken

meets other characters not shown in the manga like the fairy-like Bee, the angel Mikaela, and his mentor, a former Hellspawn named Cheveyo. Ken spends his new life as a Spawn dealing with enemies from Heaven and Hell, while trying to protect his sister who is now a big teen celebrity. The manga comes to a slightly abrupt ending as Hollywood ends up getting infested with Spawn-zombies, while Ken is mostly unaware of this, although it seems to be one of Clown's schemes. This manga was done by newcomer Juzo Tokoro who seemed to have a good feel for the characters while integrating the story to the established Image Universe. 1 of 1 people found the following review helpful. Japanese take on a distinctly American character By Carnivore excellent story and art that uses elements from Todd McFarlane's stories. I commend Juzo Tokoro's effort. This collection is well worth its price!!

Ken Kurosawa was the bodyguard for a L.A. gang leader. In the midst of a gang war, Ken was murdered by a car bomb. That was when he made his fateful deal with Malebogia, not knowing that from then on he'd be part of his hellish hordes as a Spawn! Opposed by numerous enemies, constantly manipulated, he is brought to fight his best friend without knowing it.
