This particular book (Book 5) is labeled as holding 38-50. It actually has 51-62. Not a huge deal, just be aware.The book itself is very solid. Absolutely love the cover art. Great alternative to bending the spine of the previously release paperback collections.0 of 0 people found the

With Spawn, legendary writer and artist Todd McFarlane unleashed his iconic antihero on the world, and launched the most successful independent comic book in history. Spawn: Origins Book 5 includes classic Spawn stories written by Todd McFarlane. Revisit stories of deception and betrayal, with Al's former boss, Jason Wynn, in the center of it all. Includes the epic clash between Spawn and the Savage Dragon! Extra features include color and b/w cover gallery and behind-the-scenes art. All this and more in an oversized, hardcover format complete with a wraparound painted cover by renowned artist Clayton Crain.
