These are superb quality and i lucked out and must have gotten it by accident, because this item is not listed as the signed and numbered copy, but that's what i received. Not

SousaThis book is amazing and looks so bad ass on your shelf and in your hands.Highly recommended for any Spawn fans.

This limited, deluxe, oversized, and slipcased hardcover edition presents 25 previously-released, sold-out issues of classic Spawn stories many pencilled by superstar artist Greg Capullo in an all-new size and format. Additional material includes color and black-and-white cover galleries, never-before-seen art, and all the bonus material from the six-issue trade paperbacks and 12-issue hardcovers. This is the absolute top tier of the Spawn: Origins family of books! It doesn't get any better than this!
