MorrisAlthough the books they decide to add to the novels sometimes seems strange at times, I have enjoyed reliving the comic books I loved so much when I was younger. This is my fourth one and I would recommend this purchase to anyone who is a Spawn fan. 1 of 1 people found the following review helpful. GoodBy BassJasGreat storytelling. Spawn has been one of the most consistent titles in comics since...ever. Great artwork to boot. These origins collections are great for people wanting to read spawn without buying a bunch of single issues.
