Todd McFarlane, David Hine, Brian Holguin : Spawn: The Armageddon Collection Part 1 (Pt. 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Spawn: The Armageddon Collection Part 1 (Pt. 1):

0 of 0 people found the following review helpful. so i knew it was gonna be awesome, cant wait for the second partBy
jesus salazarIm a big fan of spawn , so i knew it was gonna be awesome, cant wait for the second part0 of 0 people
found the following review helpful. Great!By RyanDavid Hine, writer of awesome horror comics like Strange

Embrace, has inserted creepy stuff into Spawn comics, giving it a needed kick in the butt. This stuff is dark and great, and the antithesis of all those bad Spawn comics for the last 10 or 12 years. 0 of 20 people found the following review helpful. Wait to Catch Up By Justin L. Plotts To be honest, I have not read it yet fully, just glanced over it, because I do not want to read it til the other trades catch up. (Yes, I know that may take awhile, but the big books are really knocking them out well.) So to be honest, what I have seen so far looks good, and seems even more twisted and vicious than the original lines run. In my opinion, off the cuff, it will be worth the read.

Featuring sold out issues of the most talked about Spawn story arc in years! Finally, after all these years, the war Al Simmons was created to fight is here... but which side will he choose? Join David Hine and Philip Tan on the beginning of their historic Spawn run!
