Brian Holguin, Steve Niles : Spawn: The Dark Ages Complete Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised Spawn: The Dark Ages Complete Collection:

0 of 0 people found the following review helpful. Diehard Spawn Fans? Buy it or just borrow it.By CustomerI always did want to see how the storyline progressed. Sort of disappointed in the changes in art from the very nice first few issues to a big body / little head / giant boobs default. It's not like you could rent this book, but that would probably be the best value. Also, this collection is very sturdy and you could easily knock someone unconscious by clubbing them

with it. Lord Covenant would approve. 5 of 6 people found the following review helpful. A Refreshing Approach By Bob
If your looking for a fresh take on the spawn mythos then consider giving this a try. It follows a different hellspawn Ian Covenant in medieval times after the crusades. The story, time period, settings, situations, and characters are all different. The only character you'll see from the Al Simmons storyline is Cogliostro because he's cursed to walk the earth without a way to escape, not even through death. If you think that in some way this a repeat of what you've seen before then you'd be surprised because for one thing, other than having the same curse Covenant isn't anything like Simmons. I'll admit that the first sixteen issues of this collection were stronger than the rest but overall it was still worth it. 0 of 0 people found the following review helpful. Five Stars By Satan
Arrived in great condition

Spawn: The Dark Ages Complete Collection reprints the journey of Lord Covenant, a 12th Century knight killed in a holy crusade far from his homeland, who returns to Earth as a HellSpawn. As a plague of violence and turmoil blankets the English countryside, the Dark Knight must choose whether to align himself with the innocent inhabitants of the once-thriving kingdom, or with the malevolent forces of evil and corruption. Featuring behind-the-scenes bonus art and a cover gallery, Spawn: The Dark Ages Complete Collection is the first time the series will be collected in a hardcover, oversized format. Reprints issues #1-28.
