Jeph Loeb : Spider-Man: Blue before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spider-Man: Blue:

2 of 2 people found the following review helpful. A loveletter to Spider-Man By Pablo Gerezi just can't think of any comments to say rather than this is a must-read for every Spidey fan. It delves into the times where Peter was having a very different life of his own: he was meeting girls, he was trying to make new friends... and of course, Spider-Man was getting more popular every time. Tim Sale excels at this book, entering the chart of top artists of Spider-Man, along with McFarlane or Ditko himself. Jeph Loeb proves that he is at its best when working with Sale, and the duo

deliver a very vivid story. In terms of edition, I really like this wave of paperbacks edition by Marvel. The cover is shiny, and the book itself is beautifully edited. The quality of the paper is magazine-style. Going back to the story in this book, it clearly states that although it is your actions that define you, the people around also tell a lot of the kind of person that you are. Not only a perfect love story, but also nostalgia makes its way through the pages. Please do read this book. It will totally show a side of Peter Parker (and his relationship to Gwen Stacy) only a few times we were able to read. 2 of 2 people found the following review helpful. My favorite Spider-man book of all time. By Dave the Collector. First of all, I LOVE Spider-man. He is hands down my favorite comic book character. And this book is one of the best Spider-man books ever created. Jeph Loeb crafted a heartfelt story which was exemplified by Tim Sale's beautiful artwork. It was so good that I read this book in one sitting. If you love Spider-man comics, great storytelling, and great art, then this book is a must buy. 1 of 1 people found the following review helpful. Pete and Gwen and Jeff and Tim. By William. A love letter to Gwen Stacey from Loeb and Sale. If you grew up with Spider-man when Gwen was his girl, you'll love it. Actually, if you like Gwen Stacey or Spider-Gwen, you'll probably love it, too.

"It's about remembering someone so important to me I was going to spend the rest of my life with her." What Peter Parker didn't know was that meant Gwen Stacy would only get to spend the rest of her life with him. This is the story of how they fell in love. Or more appropriately, how they almost didn't fall in love. Welcome to Spider-Man's life. Bad before good. It's kind of amazing. So to get the girl of his dreams, he'll have to run the gauntlet of the Green Goblin, the Rhino, two Vultures and a mysterious man in the shadows controlling it all. Join the Eisner Award-winning team of Jeph Loeb and Tim Sale (Superman for All Seasons, Batman: The Long Halloween, DAREDEVIL: YELLOW, HULK: GRAY) in the story about Peter Parker's first love, Gwen Stacy. Highlighted by the introduction of Mary Jane Watson, it is a critical moment in Spider-Man's life when everything was just coming together - only to fall apart. Collecting SPIDER-MAN: BLUE #1-6.
