All the fun of comics w/ some adult humor.0 of 0 people found the following review helpful. I enjoyed the final 3/4 of this comicBy RobThis has a very very very slow start. If you can get through

the first section it picks up. I enjoyed the final 3/4 of this comic.0 of 0 people found the following review helpful.
Battle of the smart buttsBy T. Joh.The quips just keep flying throughout this whole volume. I thoroughly enjoyed it from beginning to end.

Two great tastes that taste great together! As Spidey and Deadpool fast-talk their way into an ongoing buddy book at last, grab the full story of their unlikely bromance. Through the magic of comics, Wade Wilson steps into the swinging shoes of a young Peter Parker! Then, the friendly neighborhood wall-crawler and the anti-social there-goes-the-neighborhood merc trade blows and "yo mama" quips. If friendship blossoms during encounters with Hit-Monkey and the Hypno-Hustler, will that jerk Otto Octavius ruin everything by being all Superior?
