Neil Kleid : Spider-Man: Kraven's Last Hunt Prose Novel (Spider-Man (Marvel)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Spider-Man: Kraven's Last Hunt Prose Novel (Spider-Man (Marvel)):

1 of 1 people found the following review helpful. First Spider-Man Book for MeBy Monstarz Inc. All I can say is wow the hype for this story is spot on. This is my first foray into spider man and I was not disappointed. The story and art are top notch and I recommend this to any marvel fan especially the ones not interested in spider man (like I was). Now to the book itself...the pages are paper paper not the glossy pages like most trades which threw me off a little since I personally find them not as durable but that's a small price to pay for one best spider man stories ever written, I highly recommend 2 of 2 people found the following review helpful. This is an AWESOME comic. Even the intro

explanation as to where ...By Other GuyThis is an AWESOME comic. Even the intro explanation as to where this story came from was surprisingly fascinating. And, dare I say, that I like this story (definitely artwork) MORE than Dark Knight Returns? I know it might be sacrilege to say such a thing, but I really think this Spider-Man comic is significantly better... and I never thought I would take the "friendly neighborhood spider" over "the hero Gotham deserves."0 of 0 people found the following review helpful. Decent readBy T StaffordThe best Kraven story ever and one of the better Spider-Man stories. Has more depth than the average Spider-Man tale.

Born to a rarified breed of Russian aristocracy, Kraven the Hunter had stalked and killed every animal known to man, and considered himself the world's best big-game hunter. It was this confidence that brought him to New York years ago, in an obsessive quest to hunt what he considered the city's greatest prey: Spider-Man. But his target eluded him time and again, mocking him at every turn. Now, after years of crushing defeats against the web-slinger, Kraven has hatched one last plan to best Spider-Man. In a stunning instant of shocking violence, Kraven stands finally triumphant over Peter Parker's seemingly dead body. And to prove that he is the hero's master...Kraven will pull on his costume and become him! Experience the classic, genre-defining Spider-Man shocker like never before in this new adaptation!
