The perfect companion piece to Drawing Comics The Marvel Way.By E. Joseph DelaneyWhen I was 12 years old in 1978, my mother bought me Drawing Comics The Marvel Way to improve my artistic abilities. But it is not enough to merely draw the comic. First, you must Write it.

And this book is the guide by Stan The Man Lee himself about how to write in this medium. True Believers, this is the guide for you. Buy this book and Drawing Comics The Marvel Way and learn how to create art and literature. And hold on to these books because some day you'll have kids so you can hand these books down to them and continue another generation of creativity. Thank you, Mr. Lee, and the entire Marvel Bullpen for creating these works for us. 1 of 1 people found the following review helpful.
