From Library of American Comics : Star Trek: The Classic UK Comics Volume 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Trek: The Classic UK Comics Volume 2:

0 of 0 people found the following review helpful. Four StarsBy Customerreally enjoyed it. a piece of star trek lore I knew nothing about.0 of 0 people found the following review helpful. U.K. Star Trek comicsBy Tracy LatourLove these books.cant wait for vol 3.excellent artwork and great to read

This second volume fills in another major gap in Star Trek lore, courtesy of these never-before reprinted comics that originally appeared in weekly British magazines in the early 1970s. There's much to love about these wonky, way-out writings and their atypical artwork. These oft-forgotten Star Trek tales represent a different era. They're lost gems with many facets and a unique perspective, an eccentric corner of Star Trek history unlike any other. These are the U.K. voyages of the Starship Enterprise and, now, at last, fans everywhere can experience them. As a special bonus, Rich Handley provides the first half of a detailed encyclopedia of all things Star Trek from these British comics. Exploring

the minutiae is half the fun of enjoying a franchise, and when it comes to Trek, there's no end of trivia to devour!

About the Author John Stokes has been a mainstay in British comics since the 1960s, for IPC and then Marvel UK. He's best known for the IPC series Fishboy, and has drawn Star Wars, Dr. Who, the Black Knight, and various comics for DC Comics and its Vertigo imprint.
