**Mike Johnson : Star Trek Volume 12** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Star Trek Volume 12:

The U.S.S. Enterprise continues its ongoing mission to explore strange new worlds and new civilizations, boldly going where no one has gone before. Now midway through their five-year voyage into uncharted space, Captain Kirk and the

crew are about to encounter their strangest discovery yet: themselves! It's a brand new story of the mirror universe in "Live Evil." Then, the crew face off with a renegade faction of Orions intent on disrupting the truce between their species and the Federation! Collects issues 5054 of the ongoing Star Trek series.
