Not to mention a thought-provoking reminder that there isn't always an ideal solution to a problem.0 of 0 people found the following review helpful. not really the best ones, but enjoyable onesBy PenThis issue contains an ok classic Star Trek tale(s), not really the best ones, but enjoyable ones, specially the last one.Still, I

feel like the series are going downhill compared to the first issues... With the exception of Volume 9, that I can't review here because I got it as a gift. That one is really cool, featuring Q from TNG.0 of 1 people found the following review helpful. Good bookBy KathiAs always, star trek novels are great, a good read.
