John Ostrander : Star Wars: Agent of the Empire Volume 2 - Hard Targets before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars: Agent of the Empire Volume 2 - Hard Targets:

0 of 0 people found the following review helpful. Better than Volume I By Mark Volume II had an extremely good ending and shows the complexity of Jahan. As I said in my review of volume I, I chose these graphic novels to reacquaint myself with the Stars Wars series and was very pleased with both volumes. The story excellent and the illustrations perfect. 0 of 0 people found the following review helpful. Five Stars By James D Crawford Love the new take on the Empire! 0 of 0 people found the following review helpful. mr cross i presume ??? By micaas I said this is most deffnaty what jame,s bond let lose in the star war,s universe I seriusaly hope thay put out more and if your reading this thank you princess for starting your godfather on a bad habbit with these

When the current Count Dooku is assassinated and Boba Fett is framed for the murder, Imperial Agent Jahan Cross is assigned to make sure the ramifications favor the Empire. The Lords of Serenno meet to elect a Regent to care for the Count's young heir until the boy is of age, and Agent Cross is there to sway the vote. But as he learns disturbing truths behind the assassination - and the likely fate of the boy - Cross finds himself ready to turn his back on his mission and put his life on the line to protect the young Count. And, when a couple of lethal ladies and an angry Boba Fett become involved, Cross has to get lethally creative!
