**John Wagner, Ian Gibson, Various : Star Wars - Boba Fett: Enemy of the Empire** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Star Wars - Boba Fett: Enemy of the Empire:

0 of 0 people found the following review helpful. Excellent Book, crappy binding By Juan Lucas Carrillo So, this review is a few years after purchase. I enjoyed the book very much, and the artwork was consistently awesome. I wish I could go on about it in detail, but due to the binding falling apart and the book being trashed, I can't. The book spent a couple years on my bookshelf with some general use, no over-extending pages and pushing down to create permanent creases. But after about another four years sitting in a box, with other bookish novels and graphic novels, the things

fairly fell apart the next time I picked it up. So, to summarize: book good. Binding bad. 0 of 0 people found the following review helpful. Five Stars By Maria A. Product was just as expected. 0 of 0 people found the following review helpful. Not the best Boba Story I've read. By Reviewer from Terra The main story is somewhat blah and it isn't helped by the cartoony artwork or the lame characters. The second is far better, with Boba being Boba. Ok for one read.

Before the events of A New Hope, Darth Vader employs Boba Fett, on a mission to discover and bring to Vader a single small box, the contents of which could change the fate of the galaxy. But there's a catch: Vader trusts no one, and the truth of the box's mystery is too important to allow the bounty hunter to live! When Fett retrieves the prize, he finds himself the target of more of Vader's thralls. Also includes the hard-to-find 1997 Wizard magazine exclusive, Boba Fett #1/2. \*
