Life of the best cookie ever!By Kindle CustomerThis book felt so genuine not only in the characters but the author's own feelings. The stories range from fun to action packed to heartwarming to the tragic. And now Dark Horse presents a commemorative collection detailing, for the first time ever, the history of the mighty Chewbacca! Written by longtime Star Wars writer Darko Macan, *Chewbacca* features a series of tales narrated by the characters who knew him best including Lando Calrissian, Princess Leia, Han Solo, and Luke Skywalker that reveal special glimpses not only of Chewbacca's heroic history, but of the mysterious and fascinating culture of his noble species.
