**Timothy Zahn : Star Wars: Dark Force Rising TPB** before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars: Dark Force Rising TPB:

0 of 0 people found the following review helpful. Worthy purchase for hardcore fans.By Philip MastrippolitoFor Star Wars fans that have been curious about what the sequels could have been before Disney took over, this provides an interesting chapter in the saga. Admittedly though it gets a little muddled in the political stuff and sometimes there are too many characters to keep track of.0 of 0 people found the following review helpful. Good but not great.By James S. WhatleyThis was a decent adaptation of Zahn's 2nd novel of the Thrawn Trilogy. My biggest gripe is the change in

artists. Heir to the Empire had such a great look. This one is clunky art trying too hard to make the character's look like the actors who played them. Just took me out of the flow. Decent story telling, if a little hard to follow the dialog balloons, again, due to bad art...the books are a favorite of mine, being the beginning of the EU. Got these during this year's "May The Fourth Be With You" sale for a buck ninety-nine so I can't complain. 0 of 0 people found the following review helpful. now wanted to see what the comic looked like. By Idycat1170 Read the books, now wanted to see what the comic looked like.

The Last Command concludes the adaptation of Timothy Zahn's best-selling Thrawn Trilogy, drawing to a shattering climax the events set into motion in Heir to the Empire and Dark Force Rising. Thrawn is creating an army of genetically engineered shock troops in an effort to overwhelm the forces of the Rebellion. Meanwhile, dark Jedi Master C'baoth plans to kidnap the newborn twins of Princess Leia and raise them as the first of a new legion of dark Jedi!
