Tom Taylor : Star Wars: Darth Maul-Death Sentence before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars: Darth Maul-Death Sentence:

1 of 1 people found the following review helpful. Wonderful Maul storyBy Roger the ReaderGreat piece of Dark Horse storytelling which appears to have been lost in time! If you love The Clone Wars then you'll love Death Sentence. It has the feel and tone of TCW show and captures Maul perfectly. A nice tie in with Season 4 and 5.2 of 2 people found the following review helpful. Demon in the light...By ToookieTom Taylor creates doomsday with Darth

Maul Death Sentence. Darth Maul and his brother Savage Opress attempt to hunt down a man who has put a serious bounty on their heads. Although, not only are two Jedi Knights and their padawan on the trail of the demon brothers, but also the man responsible for Maul's disfigurement, Obi-wan Kenobi. This story takes place during the clone wars era, actually as a direct follow-up to season four of the television series. Even though it does have a clone wars feel to it, the story contains fight sequences in which Darth Maul "mauls" if not murders whoever is in his way. The story is intriguing and the art is well done, if you're a fan of Darth Maul...It's a must read! I give death sentence 5/5 stars. 3 of 3 people found the following review helpful. Great! By David Miller Fantastic art and a compelling story. I was really taken in by this one. The stories of Darth Maul and Savage Opress are so brutal, I just can't look away when I start them. The art is more modern, but I tend to prefer it to the old style. I love reading through seemingly HD comics on my kindle fire.

Fearsome Sith Lord Darth Maul, rescued and restored after surviving his confrontation with Obi-Wan Kenobi in *The Phantom Menace*, wreaks havoc through the galaxy with his brother Savage Opress! When the brothers' murderous rampage through the Outer Rim is interrupted by a bounty placed on their heads by Ja'Boag, a wealthy mining magnate, the duo decides to target him - only to be met by a team of Jedi and Ja'Boag's own private army! This would be the break the Jedi have been hoping for, if it weren't for the fact that Ja'Boag's ruthless oppression of the native population has given Darth Maul an army of his own!
