Jason Aaron, Kieron Gillen : Star Wars: Darth Vader Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars: Darth Vader Vol. 2:

1 of 1 people found the following review helpful. AwesomeBy ZacI haven't generally bought or read comics since the early 90s. I bought this after seeing some of the art online and after recently getting nostalgic for my favorite childhood movie character. I've read both volumes now, and I found them very entertaining. The're well written, and the art is gorgeous all the way through.2 of 2 people found the following review helpful. Must-read for any Star Wars

fanBy CustomerI love this comic series, every Star Wars fan should read this! Get Vol. 1 first, of course.1 of 1 people found the following review helpful. Five StarsBy Stefan HurstBeautiful book. I highly recommend for any Darth Vader fan
