Kieron Gillen : Star Wars: Darth Vader Vol. 3: The Shu-Torun War before purchasing it in order to gauge whether or not it would be worth my time, and all praised Star Wars: Darth Vader Vol. 3: The Shu-Torun War:

2 of 2 people found the following review helpful. I miss Doctor Aphra By PWDecker I miss Doctor Aphra. The droids are fun. This volume finds Darth Vader dealing with a war and royal families on a supply planet. I am so over the other potential apprentices of the Emperor. They're annoying. Queen Trios is a really interesting character. I like the

culture of glamour and dukes on this planet. An intensely courtly culture. I give this volume a 3/5. It continues the Darth Vader story, but nothing special happens in this volume. Hopefully the next volume picks up the pace. 0 of 0 people found the following review helpful. Good Continuation
By James Simmons
This was a good continuation to the Darth Vader story, although it was a bit confusing because I read the Vader Down collection and then came to this one, but it seems the actual chronology is the Annual at the beginning of this collection, then Vader Down, then the rest of Volume 3. I do see why the Annual was included in this Volume rather than the end of Volume 2, because it does deal with the Shu-Torun world which is where the whole volume takes place. It did feel like this collection was mostly its own self-contained series that was a bit different in tone to the rest of the series up to this point. It was also a bit disappointing that Aphra was not in this collection, so I am looking forward to having her back in Volume 4. It is still a great continuation to the wonderful Darth Vader comic series.
3 of 3 people found the following review helpful. Vader is still the best!
By Raiden Crow
Fantastic continuation of the amazing Darth Vader Series, showing Vader going to war with the planet of Shu-Torun on behalf of the Empire, and shows what he is doing to deal with the abduction of a major Vader comic character that occurred during Vader Down.

The unstoppable march of the Dark Lord of the Sith continues! The natives of the planet Shu-Torin are revolting. And there's no way the Empire will stand for that. Darth Vader is tasked with leading a military assault against Shu-Torin! Could it be that his rise to glory has begun? But who will follow Vader into war? Would you? Then again, it's better to fight alongside Vader than against him. That's a lesson that the Ore Barons are about to learn... COLLECTING:
DARTH VADER ANNUAL 1, DARTH VADER 16-19
