Dave Manak, George Caragonne : Star Wars: Droids Ewoks Omnibus (Star Wars: Legends) before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars: Droids Ewoks Omnibus (Star Wars: Legends):

The most lovable stars of a galaxy far, far away, in a complete collection of their adorable all-ages adventures! Join Wicket and his Ewok friends Teebo and Princess Kneesaa in their forest home of Endor for colorful capers filled with

rainbow bridges and rites of power! And, in stories set years before they find a home with the Rebels, follow C-3P0 and R2-D2 in their search for a master! The quest will stretch across space and beyond, as a crazy chronal crossover sees them meet the Ewoks again for the very first time! Plus, get a fresh perspective on the epic events of the film that started it all, in a tale that could only be called "Star Wars According to the Droids." As Threepio might say, oh my!
