Anyone following the Star Wars Rebels episodes needs to read this Omnibus to get some of the back story on Kanan. 0 of 0 people found the following review helpful. Fills in some gaps in the character adds more depth. By E. Anderson. Fills in some gaps in the character adds more depth. 0 of 0 people found the following review helpful. Great graphic novel. By Customer. After starting on Star

Wars Rebels, I couldn't get enough of the characters. While I hope that more of the characters from the show are explored in the comic format, this was a fantastic start. This book is one of my favorite graphic novels, with a very gripping story line that kept interest exceedingly well.

Discover how Jedi Padawan Caleb Dune became Kanan Jarrus, the cocky, sarcastic renegade hero of Star Wars: Rebels! As Caleb trained under Master Depa Billaba, neither one of them ever suspected that their "loyal" Clone Troopers would turn on them upon the issuing of Order 66 - the Emperor's directive to execute all Jedi. How did Caleb Dune escape the Jedi purge? Then, journey even further back and experience Caleb's very first adventure as a Padawan, protecting the Jedi Temple alongside his new Master. As they head towards the furious Battle of Mygeeto, they'll face one of the deadliest threats in the entire galaxy - General Grievous! Bridge the gap between the Clone Wars and Star Wars: Rebels! COLLECTING: KANAN - THE LAST PADAWAN 1-5, KANAN 6-12
