John Jackson Miller : Star Wars: Knights Of The Old Republic Volume 7 - Dueling Ambitions before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars: Knights Of The Old Republic Volume 7 - Dueling Ambitions:

0 of 0 people found the following review helpful. a star wars adventureBy TookieJohn Jackson Miller creates a true

star wars adventure in Knights of the Old Republic volume seven, Dueling Ambitions. After being cleared from previous accusations Zayne and Gryph are back and ready to take on the galaxy. Putting themselves into a little situation with a Chev, Zayne and crew head to the core worlds. On the way they discover an abandoned ship that just happens to have a handful of corpses and two stragglers. Eventually the crew arrives to a world that is ran by slave owners who manage a special fueling sport. This book is not near as good as volume six, vindication. Although it feels like a classic star wars adventure none the less. It is creatively written but I feel, as I do almost half the time, that the art is hit and miss...pending on the artist, usually. When all is said and done I give Dueling Ambitions 3.9/5 stars.0 of 0 people found the following review helpful. Great for star wars fansBy SL13Great product! Great product! Great Product! Great product! Great product! Great Product! Great product! Great Product! Great product! Great Product! Great product! Great Product! Great product! Great product! Great Product! Great product! Great product! Great Product! I enjoy it a lot and I'm glad I ordered it. My friend recommended this product to me as well. So I'm glad I ordered it. It's great that's all can I please stop typing now?0 of 0 people found the following review helpful. Great VolumeBy sw_fanI like this whole series. It's a great look at the beginning of the Mandalorian Wars and how Malak started out. The only thing I don't like is that they used different artists on every volume so I was forced to re-invent my vision of the characters for each volume.

Former Padawan - and former fugitive - Zayne Carrick is taking his life in a new direction. Along with his con-artist best friend Gryph; the beautiful, bold, and mysterious Jarael; and ex-Mandalorian warrior Rohlan; our bumbling yet lovable hero is ready to embark on the sort of adventures only possible in the Star Wars universe! In "Prophet Motive," it's a long-shot swindle gone wrong; in "Faithful Execution," it's a ghost ship and renegade droids; and in "Dueling Ambitions," it's combat sports and high-speed racing.

About the AuthorJohn Jackson Miller is the author of the national best-selling novel, Star Wars: Knight Errant, nine Star Wars: Knights of the Old Republic graphic novels, and the Star Wars: Lost Tribe of the Sith eBook series. His comics work includes writing for Iron Man, Mass Effect, Bart Simpson, and Indiana Jones. Author of several books about comic-book history, he also runs the research website, The Comics Chronicles.
