Corinna Bechko, Gabriel Hardman : Star Wars Legacy II Volume 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars Legacy II Volume 3:

I loved seeing the far future of the Star Wars family ...By padme35This is all considered non-canon now and falls under the category now listed as Legends or alternate timeline. Personally, this timeline will be canon but even without factoring that personal opinion in, I loved seeing the far future of the Star Wars family names we have all come to love and hate. If you are a Star Wars fan, I highly recommend

checking out this graphic novel series. If you are not a SW fan but love science fiction and graphic novels, I recommend checking it out, it is set up far enough in the future that having no knowledge of SW characters really will not hamper your enjoyment. 0 of 0 people found the following review helpful. Solid continuation of the 'SW: Legacy' series! By K. Sobe As a fan of Dark Horse's earlier venture into the future of Star Wars, I looked forward to seeing how they would continue the series with a new protagonist. I have not been disappointed: Ania Solo is our new 'hero', but she takes on a much more low-key persona than Cade Skywalker had in the previous comic run of Legacy. This series has focused much more on the atmosphere and culture surrounding Roan Fel's Empire than the previous run did---and that is a welcome aspect. Ania's path twists and turns and the story is strong enough to keep a nice flow and continue to make me want to turn the page to see what happens next. The artwork in this series is much different---but much more steady in style---than the series. Some may be put off by what seems like a more abrupt change to the art style in this series, but I personally enjoyed it. 0 of 0 people found the following review helpful. Five Stars By Michael Wolff Awesome

Ania Solo suddenly finds there is a bounty on her head for the murder of an Imperial Knight! Now she's a wanted criminal, and even her pals Sauk and Imperial Knight Jao Assam are wary. Before Ania can explain, their ship is compromised, the friends are separated, and Ania is captured by one bounty hunter, while another is in pursuit! Left behind, Sauk and Jao discover more about Ania's past as they race to repair their broken ship and save her from imprisonment or death!
