my time, and all praised Star Wars Legends Epic Collection: The Empire Vol. 3 (Epic Collection: Star Wars Legends: the Empire):

3 of 3 people found the following review helpful. Continues the first two Empire volumes, but has a bit more Vader. By L. J. Webb. This volume continues the story of the first two volumes, though not quite as good. There are two arcs that continue the story of the two Jedi that escaped order 66 (K'ruhk and Dass Jennir) well as a couple arcs that tell about different threats the Emperor and Vader faced early on. If you like seeing Vader kick butt, you'll like this volume.

Dark times for the galaxy But will the Empire's rise be forestalled when Emperor Palpatine is left at death's door Or will Darth Vader find a way to save him in the ominous Ghost Prison As the Dark Lord takes a killer under his wing it could be grave news for a group of Jedi youths but when Master Dass Jennir reunites with the Uhumele's ragtag crew Vader himself will be the target But the Empire's enforcer does not go down easily just ask the eight assassins who try and fail The man who hired them will risk everything on the ninth
