Archie Goodwin, Chris Claremont, Others : Star Wars Omnibus: A Long Time Ago... Vol. 2 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Star Wars Omnibus: A Long Time Ago... Vol. 2:

5 of 5 people found the following review helpful. Love these old comics
By Samuel B. White
These old "Star Wars" comics are still my favorites. The newer ones, by Dark Horse, may fit better into the soon-to-be-rewritten-so-it-doesn't-matter canon, but these take me back to the days when I was waiting for each issue because it was the only Star Wars I could get between movies. [Note to kids: this was back during the dark ages, when I couldn't just put in a tape or DVD

of the movies.] Looking back now, some of the stories seem goofy, and Jabba the Hutt has changed in both appearance and demeanor, but the stories are just fun! Plus, I like having 24 comic books in a volume like this so I can read them one after another instead of having to wait a month between installments. Just kinda miss the advertisements for X-Ray glasses and Sea Monkeys. 0 of 0 people found the following review helpful. NostalgicBy The Monkey Boy H Bomb This was a nostalgia purchase. Read these when i was a kid and had to have another look. 0 of 0 people found the following review helpful. Awesome followup...By C. Gregory It's great to have this series collected and reprinted in a form everyone can enjoy. For those who do not want to hunt down the 100 plus issues, this is the best place to go. The stories are fun, the art is great and well this is a must have for all star wars fans, you won't be disappointed. Just ignore the small inaccuracies you might find while these books may go astray from the established canon of star wars, as stand alone stories, they are great and enjoyable.

Collecting issues #28-49, and the first King-Sized Annual, from the Marvel Comics Star Wars series that launched in 1977 (the same year as the first film), this second volume of Star Wars Omnibus: A Long Time Ago.... is a must have for any Star Wars fan.
