Chris Claremont, Michael Fleisher, Archie Goodwin, David Michelinie : Star Wars Omnibus: A Long Time Ago... Vol. 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars Omnibus: A Long Time Ago... Vol. 3:

0 of 0 people found the following review helpful. Not really Star Wars but still greatBy Austin ShinnThis is a fascinating look at canon when there isn't any canon yet. It's set between Empire and Jedi and it's transparent they were spinning their wheels. The characters are in no way formed with Luke still vaguely in love with Leia and almost zero

reference to Vader's revelation. It should be laughable. However, this comes from some of the greatest talent Marvel had in the early 80s including Chris Claremont, David Michelinie, and Walt Simonson. The result is a raft of great SF comics that vaguely feel like Star Wars comics. They're thrilling and fun reads well worth the time.0 of 0 people found the following review helpful. Three StarsBy The Monkey Boy H BombThis was a nostalgia purchase. Read these when i was a kid and had to have another look.0 of 0 people found the following review helpful. To me this is where the series really got better. The artwork was much better and the stories ...By Kindle CustomerThanks to Lucas, none of this really matters anymore, but if you were into Star Wars, you probably read these books. To me this is where the series really got better. The artwork was much better and the stories were a little more sophisticated than the first 2 volumes. Definitely worth a read if you can get it.

Return to the great adventures of your youth, or discover a part of theStar Wars saga you never knew existed. From 1977 to 1986, Marvel Comicsproduced monthly Star Wars comics. This was when the continuity for thatgalaxy far, far away was still brand-new, when almost anything could happen and often did!
