0 of 0 people found the following review helpful. Good EndBy J. MartsOverall, the stories were great and the art/colors were as well. It was a great end to the Marvel comics.0 of 0 people found the following review helpful. Add to your collectionBy Dale E. BushA must for those who do not have the other novels or graph comics. I love the Star

Wars series. Get it. 1 of 2 people found the following review helpful. Great memories! By Kristine Etter I order all 4 volumes for my husband's birthday! He loved them! He said he had so many memories from his childhood reading these!

The classic-era Star Wars adventures conclude in this fifth and final volume of Star Wars Omnibus: A Long Time Ago.... All your favorite characters are here - Luke Skywalker, Princess Leia, Han Solo, Chewie, the droids, and more - bringing peace to a recently liberated galaxy, and finding new troubles confronting them! With nearly six hundred pages of material, this massive omnibus collects Marvel Comics' Star Wars #86-107, their final US-published issues!

About the Author Jo Duffy has written the likes of The Avengers, Catwoman, Wolverine and X-Men. She translated Akira into English. Archie Goodwin, American comic book writer, editor, and artist, best known for adapting Star Wars to comics for Marvel, and his work at Warren.
