It is in good shape. The colors and the stories are in great condition. The book was packed well and arrived in the time that was expected 0 of 0 people found the following review helpful. Creative By Paige92 I bought this for my brother, but ended up buying one for myself. It has some very creative stories about the Fett, and ones that I really like (SPOILER ALERT) because I thought his death

was not worthy of his overall bad boy rep., and this tells a story of how he escaped from his movie death. 0 of 0 people found the following review helpful. Great book

Great book of 9 Fett stories..some good but some bad..all in all a great book

Boba Fett, the most feared, most respected, and most loved bounty hunter in the galaxy now has all of his comics stories collected into one massive volume! In these stories, Boba Fett gets caught between the Rebellion and the Empire; seeks a mysterious relic from a wrecked Star Destroyer; settles a diplomatic dispute - with extreme prejudice; takes part in a bounty-hunter free-for-all; fights Darth Vader; and even goes up against a Boba Fett imposter! There's no job too deadly for the man in Mandalorian armor!
