**John Ostrander : Star Wars Omnibus: Quinlan Vos - Jedi in Darkness** before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars Omnibus: Quinlan Vos - Jedi in Darkness:

1 of 1 people found the following review helpful. Very Good Star Wars Material!By JameThis graphic novel, which is a collection of comics from the Star Wars: Republic series, is really fantastic. I gave it four stars not because it is not a good book, but because its material involving Quinlan Vos is not as good as it could have been.This omnibus does cover his first encounters after losing his memory, and how he meets Aayla Secura for the first time, as well as Obi-Wan Kenobi. The stories that feature him are pretty good. However, he appears as only a minor character in several

stories. That was my only disappointment with the Omnibus, and the reason for the four star rating instead of five. More obscure Jedi are mentioned in this Omnibus, like Oppo Rancisis, Tholme, and even Tyvokka. If you're curious about the Stark Hyperspace Wars, this omnibus will answer most of your questions. It really is very good, but I was just hoping it would have more to do with Quinlan. Either way, it is still a purchase I would make again if I had to. If you are, like me, a great Quin fan, then check out Star Wars: Clone Wars Volumes 4,6,8, and 9. They all have great stories about him. 0 of 0 people found the following review helpful. Loved this omnibus. By Nick Quinlan is a boss. Loved this omnibus, I wish it didn't end. 0 of 0 people found the following review helpful. Its star wars, and thats about it, really. By Customer After the first comic book in this series I had to read more, the more I read the more I was disappointed and all the wonderful ideas I had about this character just didnt pan out. Better off getting the darth bane or darth revan audiobooks, they are amazing.

Collected here are the early tales of one of the Jedi Order's most beleaguered knights, Quinlan Vos. From his first appearance as a mind-wiped amnesiac to his triumphant passage to the rank of Jedi Master, few Jedi had more brushes with the powers of the dark side and the evil of the underworld than Quinlan Vos. This volume includes over 120 pages of story that have never been collected, plus the introduction of Jedi Aayla Secura - who made the jump from the pages of the comics to appearances in the films Attack of the Clones and Revenge of the Sith.

About the Author John Ostrander is the author of Star Wars: Twilight, as well as Star Wars: Episode II - Attack of the Clones.
