particular Omnibus is almost perfect. The final entry, which purports to be a direct sequel to *Shadows of the Empire*, was severely disappointing in my opinion. However, the outstanding material that precedes it more than makes up for the weak art and story that concludes the volume. I would recommend it to anyone, although perhaps not at full price.² of 4 people found the following review helpful. eu forever, say no to the new Disney eu...By Ian Moriarty Long Live the True Star Wars Expanded Universe forever..... The shadow of the empire stories, and the story of Mara Jade are one of the several beginnings of the True Star Wars Expanded Universe launched in the 1990's.

Beginning with *Shadows of the Empire*, Luke, Leia, and Chewbacca are determined to foil Boba Fett's plan to deliver carbonite-encased Han Solo to Jabba the Hutt. But these heroes are up against more than they realize. Darth Vader searches for Luke, hoping to turn him to the dark side, and a new threat, Xizor, the ruthless leader of the criminal organization Black Sun, seeks to gain the trust of the Emperor by killing Skywalker and overthrowing Vader! Then, in *Shadows of the Empire: Evolution*, a beautiful human-droid - previously an assassin for Xizor - searches to find her human side as Luke Skywalker tracks her across the galaxy, determined to bring her to justice! And finally, in *Mara Jade: By the Emperor's Hand*, the Emperor's personal assassin carries out her last mission, determined to succeed despite the death of her Master - even if it costs her life!

About the Author John Wagner is the award winning British writer (and co-creator) of Judge Dredd and has written the Star Wars series *Dark Empire I II*. Timothy Zahn is well-known for his bestselling Star Wars novels including the hugely popular *Thrawn Trilogy*. Carlos Ezquerro is a veteran in comics, co-creator of the iconic Judge Dredd, as well as *Strontium Dog* for 2000 AD and artist on *Preacher* and *War Stories*.
