This story takes place after Episode III and along side the first volume of Dark Times. The emperor created the end of jedi within the order 66. Now, jedi that remain scattered across the galaxy are coming to realize that not much hope could be left unless they stick together. The emperor gives Darth Vader orders to start the development of their empire, but when Vader finds out the jedi are plotting to make a stand and that his former master may be leading the cause, nothing will get between him and his dark path for revenge. This story is full of action, hints the title. The art is excellent half of the time and still good for the other half. I only wish the ending could have been a little stronger, but still worth the read. I give Purge 4.2/5 stars.0 of 0 people found the following review helpful. The ramifications of the Great Jedi PurgeBy Rama N. ToulonWhen you watch the first Star Wars (A New Hope), and you hear Obj-Wan speak of Jedi being hunted by Darth Vader, it feels a bit detached. I mean you know it's bad, just not how bad the Great Purge was.Reading this book gives you the length and scope of how hard the Empire came down on the remnants of the Jedi order that tried to stand it's ground.Gives you a glimpse into the drive of the Dark Lord.Definitely a great story to add to your Rise of the Empire saga collection.8 of 8 people found the following review helpful. A Must ReadBy Robert J OdomThis is a must read for anyone who would like to know of Darth Vader's exploits. A series of short stories which is a joy to read. One of the best graphic novels I have ever read.

The terror of the galaxy, Darth Vader, brings death to the Jedi who survived Order 66. His legend grows as he roots out Jedi, crushing their lives, their hopes, and all memory of their kind from the civilizations that now bow to the Emperor. A band of surviving Jedi hunt Vader before he can hunt them! A lone Jedi blocks the Dark Lord's success using honor as his weapon. Vader is drawn away from an assignment by a Jedi and his Padawan. And a cunning Jedi relives Order 66 on her way to destroy the Sith Lord forever!
