Dave Land : Star Wars Tales, Vol. 4 before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars Tales, Vol. 4:

2 of 2 people found the following review helpful. More Tales with a focus on Mace WinduBy Guy with BeardThis is the fourth collection of Star Wars tales. The first several stories all feature Mace Windu. After those, the tales range in time and cover many different characters from the saga. Likewise, both the level of seriousness and artwork cover a wide range.As with any collection, some stories are better than others. I liked that there was some thought put into the

order the stories were presented. Having several Mace Windu stories together made it seem to be a more cohesive collection instead of just a bunch of filler stories thrown together to make a quick buck. I didn't always feel that the artwork and the story meshed together. In several cases, the style of artwork seemed to be a poor match for the style of the story which distracted from the overall enjoyment of the story. 1 of 1 people found the following review helpful. If three volumes aren't enough, may the "fourth" be with you...By Amazing Customer
May the "fourth" be with you...It has tales, and they are from Star Wars. For the penny a page I got them on sale I'm satisfied. They're not exactly chronologically in order, (Tales 2 has a prequel C3PO to Tales 1's intro for example, but go ahead and get the first one. If you like it, get the next - lather rinse repeat until you've had enough. All in all, not a bad way to spend a flight. These are not as good as the best of modern graphic novels, not in terms of artwork or writing, but nostalgia can make up for a lot. 0 of 0 people found the following review helpful. He liked the book
By Teddi Murray
It was a gift for my 12 year-old grandson. He liked the book.

Star Wars Tales has explored every corner of the Star Wars galaxy and kept readers coming back for more! Collected for the first time into one prestigious volume, Star Wars Tales Volume 4 is sure to delight fans both young and old!
