**Chuck Wendig : Star Wars: The Force Awakens Adaptation** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Star Wars: The Force Awakens Adaptation:

It's true—all of it! The biggest movie of the year jumps from the big screen to the comic book page! It's been three decades since the Rebel Alliance destroyed the Death Star and toppled the Galactic Empire...but now, on the remote

planet of Jakku...there is a stirring in The Force. A young scavenger named Rey...a deserting Stormtrooper named Finn...an ace pilot name Poe...and a dark apprentice named Kylo Ren...their lives are about to collide as the awakening begins. Writer Chuck Wendig (Star Wars: Aftermath) and artist Luke Ross (Hercules) take us back into the saga of a lifetime!COLLECTING: STAR WARS: THE FORCE AWAKENS ADAPTATION 1-5
