Michael A. Stackpole, Robert Teranishi, Christopher Chuckry : Star Wars: Union before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars: Union:

0 of 0 people found the following review helpful. There's a reason no one really discusses this story.By D. BerquistThe story clearly does not take itself seriously. A couple really corny jokes, low-quality villains, and some bad background art fill this book. A disappointment really, because I've read several other Stackpole novels, and I liked them. Actually,

most of the art seemed sub-standard. Oh, and the binding detached within a month. I didn't stress it at all. In summary: It's a Star Wars story, but you can live without it. 0 of 0 people found the following review helpful. Together at last! By CW FISHER Enjoyable comic and they made the best couple. I love wedding and this was one showed that things go wrong but in the end you pull it off. 1 of 1 people found the following review helpful. Luke and Mara Get Married By Jane Grey fan Ever since I found myself getting involved in the "Star Wars" Expanded Universe, I've come to appreciate just how much the tie-in books have added depth and richness to George Lucas's six-film creation. "Union" contributes to that with its tale of the events leading up to the televised wedding of Jedi Master Luke Skywalker and former Emperor's Hand Mara Jade. Michael A. Stackpole's nicely written dramedy has ex-Imperials plotting to disrupt the wedding; Luke and Mara having dark pre-nuptial nightmares; and humorous scenes such as Mara trying on hilariously bad wedding dresses, Luke's bachelor party at the Red Rancor Bar that turns into a brawl between the Rebel Alliance heroes and the party-crashing ex-Imperials, and comedic banter between Rogue Squadron members Janson and Hobbie. The cover art is beautifully rendered by Terese Nielsen. I have no complaints about the artwork inside; granted, it's not perfect, but I've seen worse and at least Luke and Mara now look their respective ages. I also noted with amusement that Kam Solusar bears a more-than-passing resemblance to Bruce Willis. The only problem I have - and it's only a mild one - is that, in Mike Stackpole's hands, Mara Jade doesn't quite come off sounding like how she does when Timothy Zahn writes her dialogue, but I guess you have to expect that when a writer works with a character that another writer has created.

When Luke Skywalker, the New Republic's greatest hero and sole Jedi Master, decides to marry Mara Jade, the woman who was once the Emperor's personal assassin, you can be sure that hands both Imperial and New Republican will be raised to stop the marriage at any cost! Written by acclaimed Star Wars novelist Michael A. Stackpole (X-Wing Rogue Squadron; I, Jedi) and illustrated with photographic realism by Robert Teranishi, *Union* spotlights a monumental event in the Star Wars timeline that bridges the classic Star Wars trilogy to its boundless future a long time ago in a galaxy far, far away!
