Jason Aaron : Star Wars Vol. 4: Last Flight of the Harbinger before purchasing it in order to gage whether or not it would be worth my time, and all praised Star Wars Vol. 4: Last Flight of the Harbinger:

2 of 2 people found the following review helpful. The art in this one kinda rubs me the wrong way at times--Leia looks too much like a hentaiBy Daniel CaseyAnother strong volume--the ObiWan diary entry is the strongest portion and the action arc in this one is quality. The new characters don't detract and raise up the characters we know to the lvls we expect. The art in this one kinda rubs me the wrong way at times--Leia looks too much like a hentai doll0 of 0 people

found the following review helpful. Deep and meaningful storytelling! By E. Moss Jason Aaron is hands-down one of my favorite comic book writers. The characters in his Star Wars books in particular 'sound' exactly like they do on screen, which is a tough thing to pull off for such a well-loved universe. This series is extremely well put together with beautiful art and coloring. I simply couldn't be happier with the direction that Marvel is taking. The blend of 'familiar', while keeping things unique and fresh is really well done. I also love how Aaron enhances little details from the movies that I never really stopped to think about before, providing satisfying glimpses into the stories we know and love that fit beautifully into canon. This graphic novel in particular tells some great stories without having to rely so heavily on well-established characters. Slowly developing and using auxiliary characters to further the Star Wars universe. Definitely a must read!

0 of 0 people found the following review helpful. Worst of the new Star Wars comics so far By T Stafford I've really enjoyed the new SW comics so far. Vader vol.1 has been the best but the SW run had been good until this volume, I wait for the tpbs. I hated the art, this cartoony, anime style is NOT a good fit for SW imo. The story just felt like filler too.

Marvel's epic exploration of the Star Wars galaxy continues! First, take another dive into the journal of Obi-Wan Kenobi! Jabba the Hutt has a problem, and he's hired the Wookiee bounty hunter Black Krrsantan to find out exactly who's been thwarting his men! A certain old hermit of the dune wastes might know a little something about that... Then, take a walk on the Dark Side with Sgt. Kreel and an elite group of Imperial soldiers aboard the Star Destroyer Harbinger! It's a nigh-indestructible weapon of war. But it's also the target of the Rebels' new top-secret plan. Never afraid of defying the odds, Luke Skywalker, Han Solo and Leia Organa are determined to make this the last flight of the Harbinger! COLLECTING: STAR WARS 20-25

About the Author Jason Aaron is an American comic book writer, known for his work on titles such as Thor, The Other Side, Scalped, Ghost Rider, Wolverine and Punisher MAX. He lives in Kansas City, Kansas.
