**Sholly Fisch, Dan Davis, Heroic Age : Starro and the Pirates (DC Super Friends)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Starro and the Pirates (DC Super Friends):

0 of 0 people found the following review helpful. The Super Friends save the day and then get realistic by ...By Nicola Mansfield Another well-done comic on a topic I usually do not find favour with in books aimed at kid's. "Global warming" is mentioned here and Starro comes along to take over Earth by purposely melting the icecaps so he can rule the new underwater world. The Super Friends save the day and then get realistic by keeping their message factual and

talking about pollution and what the reader can do to help our earth by keeping it clean.

The Super Friends have never faced a challenge like this before! What will they do when confronted with the menace of Starro and the Pirates? Each library bound book in this action packed series features a comics glossary, visual discussion questions, and writing prompts.

About the Author Bitten by a radioactive typewriter, Sholly Fisch has spent the wee hours writing books, comics, TV scripts, and online material for over 25 years. His comic book credits include more than 200 stories and features about characters such as Batman, Superman, Bugs Bunny, Daffy Duck, Spider-Man, and Ben 10. Currently, he writes stories for ACTION COMICS every month, plus stories for LOONEY TUNES and SCOOBY-DOO. By day, Sholly is a mild-mannered developmental psychologist who helps to create educational TV shows, web sites, and other media for kids. Stewart McKenny has illustrated a variety of comic books and characters. He prides himself on his ability to adapt to new styles of illustration for Dark Horse, Marvel, and especially DC Comics. Dan Davis has illustrated the Garfield comic series as well as books for Warner Bros. and DC Comics. He has brought a variety of comic book characters to life, including Batman and the rest of the Super Friends! In 2012, Dan was nominated for an Eisner award for the Batman Brave and the Bold series. He currently resides in Gotham City.
