Love this in a totally different way than I loved ...By Amy MathisLove this in a totally different way than I loved the other graphic novels of the Gunslinger series. It is somehow much more visceral to me to see things from Eddie's perspective, and to have images of Eddie and his world there in front of me. I can't wait to see how they draw and distill what happens when they get to the next two doors.0 of 0 people found the following review helpful. LOVEBy H. D. PetroneWonderful artwork. Eddie Dean, the troubled young man gifted with the ability to open doors to other worlds, has smuggled narcotics from Nassau to New York City, but now has to escape a packed airplane guarded by armed Custom Agents! How will Eddie avoid prison and yet also fulfill his contract with the dangerous mobster Balazar? The answer lies in Mid-World, and with a dying gunslinger named Roland! The chilling chapter by writers Peter David (Spider-Man 2099) Robin Furth (The Dark Tower: A Complete Concordance), and artist Piotr Kowalski (Marvel Knights: Hulk)!
