Like the previous reviews said, we learn more about Soichiro, on how he has an aversion to fire because of his past childhood and how he somewhat gets over his fears and rescues Sumi from a burning building. Not to mention he punches Nozumu in the

face, which I thought was good because Nozumu was clearly insane in this volume. The art is getting better but the plot takes a weird turn, but in all, this was enjoyable to read. 1 of 1 people found the following review helpful. Amazing!
