Very fast readBy GinaPre-ordered this three months ago and unfortunately finished it very quickly. It almost seemed as if there wasn't much inside the book. I'm still hooked on the story line but one is probably better off buying the books 2 or so at a time.As always, the artwork is very beautiful.Next book (9) comes out in February of 2013. Back to waiting for me.0 of 0 people found the following review helpful. very goodBy kat wiggansththis series is amazing I find myself rereading the manga whenever I get some free time, has great suspense and the characters are easily liked you can almost feel the drama come off the pages
