Anyone can love this manga, and it is also non-pornographic. The story is great, and the characters are lovable.It is about a cute boy named Tomo who has a brother complex, and his brother is friends with a guy named Izumi. Izumi often bullies and teases Tomo, but he is sometimes really nice to him. Tomo and Izumi talk to each other early on and they discover that they both love each other, and that Izumi isn't a mean person.There is nothing bad that happens in this manga, and don't let the title fool you. It's a

cute and happy yaoi manga and it is really lighthearted and enjoyable. I totally recommend it. 4 of 4 people found the following review helpful. Hmm..not as I was expecting By Dani Its both good and bad. The good side is that it's not the size of an ordinary manga, it's the same height but maybe 3 or less cm longer horizontally. The title or front page is a flap which you can remove..it's too cute :D the story is simple , and honestly maybe on the boring side. No sex, just maybe 3 kisses. But it did make me laugh maybe several times ! :D I do recommend this book, but don't expect it to be gory! It's 100000% cute though! Innocent !! It's cute! And it was wrapped in a plastic covering so... Extra points ! 0 of 0 people found the following review helpful. The summary was adorable enough for me to give it a shot By Jeanine Kaye The summary was adorable enough for me to give it a shot. I was not disappointed! Normally the cutesy storylines aren't my thing( I'm more an edgy ghost thriller or dirty comedy type of reader) but this was just so adorable and heartwarming. Totally worth my money!

Next to my big brother, who I really, really love, is him, who I really, really love. He is student council vice president, Izumi. He's always with the council president, my big brother, and whenever I get close to them they find a way to bully me! But... when Izumi sometimes shows me his gentle side or his cool side when he's working, I get somehow excited...! What's happening to me?
