Mizuki Kawashita : Strawberry 100%, Vol. 12 before purchasing it in order to gage whether or not it would be worth my time, and all praised Strawberry 100%, Vol. 12:

0 of 1 people found the following review helpful. Finally!!!By NintendoFreakDOkay, the title of this review may sound awkward to some but read it! Anyway on to the topic, I've been trying to find Strawberry 100% volume 12 for more than 3 months now and I finally got it. This volume continues the story of Junpei Manaka who is the main male character in the series and the troubles and incidents he gets into with six girls(Aya, Satsuki, Tsukasa, Yui, Chinami,

Kozue, and sometimes Misuzu), so if you haven't already go read the first 11 volumes in this series. Before I go on, Yui, Chinami, and Misuzu as well as Kozue all appear later as the story progresses, the manga series(Vol. 1) starts out mainly with Aya and Tsukasa, I won't spoil the story of this volume because I myself haven't read the volume yet. Though I've read the series online before, I can't really remember what it was about, so I'm glad I was able to find this volume here, I'm looking forward to reading this volume as well since I've read the previous 11 volumes. I'm sure this volume will have me laughing all over the place hahah, if you haven't read this yet, I recommend this series to you, Mizuki Kawashita is a great mangaka, I'll be looking forward to her other works in the near future. Also there's been a rumor going around that Viz plans to cancel the distribution of this manga, that really bothers me since I've been with this series since vol. 1 came out. I'd just like to say that, that is a stupid decision to make since with the recent release of Vol. 14 there's only 5 more volumes to complete the series. It wouldn't make sense to stop distributing the series at this point, I hope Viz rethinks this decision and I hope they release the remaining 5 volumes, it'd be a shame to see it get cancel after 3 years of distribution.

About the AuthorMizuki Kawashita's best-known series is the 19-volume Ichigo 100 o/o (Strawberry 100 o/o), which was serialized in Japan's Weekly Shonen Jump from 2002 to 2005. The huge success of the series inspired a 24-episode animated TV show and a game for the PS2 (Ichigo 100 o/o--Strawberry Diary), both of which were released in Japan in 2005. Kawashita's other works include the two-volume comedy Lilim Kiss, which ran in Weekly Shonen Jump from 2000-2001, and the one-shot stories Natsuiro Graffiti and Koorihime Kitan .
