I love itBy Jude~4.5/5[More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]This was a fantastic ending to a fantastic series. I absolutely love it.At first, the confession doesnt quite go where I wanted it to, didnt stay quite as intense as I wanted it to. But then Ninako has a realization, and she goes after Ren. And then theres a big, crying, messy confession, and its

just kind of perfect. Its very Ninako. And Ren gets it, and he loves her. And I love them. And just Yes. Im not going to spoil too much, but it was just great. I love it. (This is going to be like a mantra in this review, I can already tell.) Then we got to see the two on an actual date, and see how actually perfect they really are together. I honestly just love how similar they are. They feel and think alike, even if they show it in different ways. And when they finally talk about it, after theyve misunderstood, I like how easily, how quickly, their entire thought-process changes. The realization they have of oh, thats what they were thinking, and their entire thought on what happened changes. There was also a short story featuring Manabu, who I have previously stated was a favorite of mine. Hes just such an adorable, fun, sweetheart. And this story really proves that. I loved getting inside his head. For some reason, I didnt think this was going to be a Happily Ever After for him, but I was still a little upset at the ending. There are obviously good things in store for him, but I think I just wanted to see it happen. I wanted to see him truly happy. This was a perfect ending to the series, and I completely love it. This series is definitely a favorite of mine, I would give it five stars overall, and its one that I could happily reread. I really hope that VIZ picks up another series by Sakisaka in the future, because I really want to read more of her stuff. 0 of 0 people found the following review helpful. Don't Want it to End! So GoodBy Sasha Awesome end to an amazing series!!! 1 of 1 people found the following review helpful. strobe edge review By Matthew Gashwytewa I've liked this series in general, although it got slow at times I liked how it ended. I'm a sucker for shojo manga so it hit all the requirements it should have.

What is love, anyway? Ninako Kinoshita's friends tell her its one thing, but Ninako wonders what this mysterious feeling really is. When she meets Ren Ichinose, the handsome, enigmatic guy that all the girls worship, her life takes an unexpected turn. With just a few words and a smile, he changes her world... Ninako loves Ren, but seeing Ando get hurt while protecting her makes her feel sad and confused to the point where she turns Ren down when he confesses his love for her! Has Ninako lost her chance with Ren? Or will they find a way to be together?
